Adios

Benjamin Clementine

Adios... adios
Adios to your afternoon
Tonight i will be forever
Chasing the colosseum moon
Into a certain roomAdios... adiosI am sorry for quickly
Jumping into the train
I waited but no one came
You just a little bit too late
The decision is mine
The decision is mine
So let the lesson be mine
Let the lesson be mine
The decision is mine
The decision is mine
Cause the vision is mine
The vision is mineAdios... adios
Adios to the little child in me
who kept on blaming everyone else
instead facing defeat
After All, why should i regret
If it wasn't for the mistakes
I made yesterday
where will i be by now
The decision is mine
The decision is mine
So let the lesson be mine
Let the lesson be mine
The decision is mine
The decision is mine
Cause the vision is mine
The vision is mineLest the trees cease breathing
Lest all the bees cease breeding
And all the salts in the dead sea
Ferment to honey...Until then, I will be forever chasing
Chasing...
Chasing it all till the very endThe decision is mine
So let the lesson be mine
Cause the vision is mine
The decision is mine

So let the lesson be mine
Cause the vision is mine
