

# Sailing on the Seven Seas

## Orchestral Manoeuvres in the Dark

You say that love will capture me  
Not unless you give it free You're sailing on the seven seas  
Sister Rae is on TV The light above, it shines so bright  
That the F.B.I. won't sleep tonight 'Cause I'm so in awe of you  
That I don't know what to do  
And I'm sailing on the seven seas so blue Sick and tired, I don't know why  
Skin and bones, touch the sky Sex and lies, can't bring me down  
'Cause I sold my soul all over town And I'm so in awe of you  
That I don't know what to do  
And I'm sailing on the seven seas so blue People try to drag us down  
So we learn to swim before we drown 'Cause I'm so in awe of you  
That I don't know what to do  
And I'm sailing on the seven seas so blue And I'm so in awe of you  
That I don't know what to do  
And I'm sailing on the seven seas so blue
