

Cut the Cord

RVIVR

Forgive me my presumption
Seems to be a problem here
 Cannot weigh it all
But the signal's crystal clear
 Oh, like animals
 We hear the calls
 The curtain falls
 See through them all
 Why you never see me here
 Treat me like your dog
 Wait 'til the day I rise
 Never be your turn
 So I'm planning on a book
 Oh, though you've demonized my eyes
 But I see right through you baby
 You wont blind me from your lies
 I failed to mention to
 These things that can't be said in words
 Yeah

And you know your running out
 Why do it to me
When clearly you can set yourself free
 And I can't give you that
 Why you never see me here
 Treat me like your dog
 Wait 'til the day i rise
 Never be your turn? or undone?
So many roads of life left to define
 There's more to you
 Or more to outshine
I must remind myself of one thing
I climbed the mountain just to get the truth
 Pay the price just no that were thru
 Now I'm running
 Why didn't I forsee the end
 Treat me like your dog
 Wait 'til the day i rise
 Never be undone
