

# Deep Creek

## All Hail the Yeti

A story told for a thousand years about a place not far from here  
The trees are thick The air is cold  
A creature haunts  
The Moonlight  
Ten feet tall  
Eyes of fire burning bright  
Awful stench  
Garbage and rotting flesh  
Listen here  
A story is told tonight  
Say a prayer  
Now learn a lesson in fright  
Monster  
Living in Deep Creek  
Monster  
Hunting in Deep Creek  
Monster  
Killing in Deep Creek  
Monster  
It was autumn of '76  
Winter creeping up oh so close  
As fast as the time clock ticks  
Pacific northwest mountain range  
Ten feet tall  
Eyes of fire burning bright  
Awful stench  
Garbage and rotting flesh  
Listen here  
A story is told tonight  
Say a prayer  
Now learn a lesson in fright  
Monster  
Living in Deep Creek  
Monster  
Hunting in Deep Creek  
Monster  
Killing in Deep Creek  
Monster  
Not hard to tell what happened next

3 AM almost ready for rest  
The only warmth is the fires glow  
Then a scream like none you've heard  
It was the best from the trees  
Getting louder with every breath  
Nothing human could be that fast  
Was it a monster from the past  
It it a monster from the past  
It was the monster from Deep Creek  
It was a monster from the past  
It was the monster from Deep Creek  
Ten feet tall  
Eyes of fire burning bright  
Awful stench  
Garbage and rotting flesh  
Listen here  
A story is told tonight  
Say a prayer  
Now learn a lesson in fright  
Had to run  
Run so fast  
What was this thing that was after us  
So close to death that the night felt like home  
Had to run  
Run so fast  
What was this thing that was after us  
So close to death that the night felt like home  
So close to death that the night felt like home  
So close to death that the night felt like home  
So close to death that the night felt like home
