

# Ladies In Waiting

## Kiss

So you been to the market  
And the meat looks good tonight  
And the ladies in waiting  
Will show you what it's all about Their selection is inviting  
They sure look hot tonight  
And the ladies in waiting  
Will show you what it's all about And so you move on down the line  
All the ladies are lookin' fine, so fine Ladies in waiting  
Ladies in waiting  
Ladies in waiting So you move on down the line  
All the ladies are lookin' fine Their selection is inviting  
And they sure look hot tonight  
And the ladies in waiting  
Will show you what it's all about And so you move on down the line  
All the ladies are lookin' fine, so fine Ladies in waiting  
Ladies in waiting  
Ladies in waiting  
Ladies in waiting  
Ladies in waiting Ladies in waiting  
Ladies in waiting  
Ladies in waiting  
Ladies in waiting  
Ladies in waiting
