

Lighter

DJ Champion

I don't want to fallâ€”any faster
Than the world spinning roundâ€”
I've been washing down
Take it as it comes, live life lighterâ€”
I donâ€™t want to feel, not today. â€”
All my times a waste

Glitter and goldâ€”who do you want to be?â€”
Purple yellowâ€”how do you want to feel?â€”
Let it go

I donâ€™t want to roll any faster
Than the world spinning roundâ€”
Everyone come downâ€”

People relax

Glitter and goldâ€”who do you want to be?â€”
Purple yellowâ€”how do you want to feel?â€”
Let it go

Who are you fooling, child?
