Women Don't Want to Love Me

[Chicago](#)

Woman don't want to love me
She says it makes her cry
Woman don't want to love me
That's an alibi
Lovin' gets complicated
You have to want to cry
The point is simply stated
You go looking for some perfection
You're gonna lose some affection
By and byWoman don't want to love me
She says she wants to go
Woman don't want to love me
She's tired of feelin' low
'cause lovin gets complicated
You start with what you know
The point is simply stated
Fill yourself with emotion
You earn yourself some devotion and you growWoman don't want to love me
She hates to be alone
Woman don't want to love me
She hates the telephone
'cause lovin gets complicated
Singing with the band
The point is simply stated
I'm gonna fix this situation
With the final liberation
Of this man
