Call My Name

Morgan Page

I woke up this morning clouded with my doubts
I wanted to hear you calling my name out
I wanted so badly to trust you
Knowing what you say is true
I didn't mean to keep pushing
Keep pushing you away from me
Pushing you away from me

Call my name out

It's gonna be, it's gonna be over
It's gonna be, it's gonna be over

I woke up this morning with your lips to my ear
Quietly saying that you'll never leave me
I wanted so badly to trust you
Knowing what you say is true
Call my name out loud, out loud

It's gonna be, it's gonna be over
It's gonna be, it's gonna be over

I wanted so badly to trust you
Knowing what you say is true

Call my name out

Calling it over and over and over
Calling it over and over and over

I wanted so badly to trust you
Knowing what you say is true

Call my name out
Call my name out
Call my name out
Call my name out
