

My Kingdom (William Black Instrumental)

Evangeline

If I let you in, it's dark and quiet
A simple sip, my mind moves miles
Take you away, far from what you know
Take me away to my golden throne
Eyes like the moon, they're dark and quiet
A simple spark it ignites my heart
Take you away, far from what you know
Take me away to my golden throne
Close your eyes
You're fine, blink twice
Take a hit, let it sink in
Trapped and faded, nearly there
No control, I'm giving in
I'm alive
Waiting for you now
Close your eyes
We're there
To my kingdom
My mind's a jungle, it's dark and wild
A simple touch sets me on fire
Take you away, far from what you know
Take me away to my golden throne
Close your eyes
You're fine, blink twice
Take a hit, let it sink in
Trapped and faded, nearly there
No control, I'm giving in
I'm alive
Waiting for you now
Close your eyes
We're there
To my kingdom
