

Casey Jones (Live At Veneta, OR, 8/27/72)

Grateful Dead

Driving that train, high on cocaine,
Casey Jones you better watch your speed
Trouble ahead, trouble behind
And you know that notion just crossed my mindThis old engine makes it on time
Leaves Central Station 'bout a quarter to nine
Hits River Junction at seventeen two
At a quarter to ten you know it's travelin' againDriving that train, high on cocaine
Casey Jones you better, watch your speed
Trouble ahead, trouble behind
And you know that notion just crossed my mindTrouble ahead, Lady in red
Take my advice you'd be better off dead
Switchman's sleeping, train hundred and two is
On the wrong track and headed for youDriving that train, high on cocaine
Casey Jones you better watch your speed
Trouble ahead trouble behind
And you know that notion just crossed my mindDrive your train, whooo
Trouble with you is the trouble with me
Got two good eyes but you still don't see
Come round the bend, you know it's the end
The fireman screams and the engine just gleamsDriving that train, high on cocaine
Casey Jones you better, watch your speed
Trouble ahead, trouble behind
And you know that notion just crossed my mindDriving that train, high on cocaine
Casey Jones you better, watch your speed
Trouble ahead, trouble behind
And you know that notion just crossed my mindDriving that train, high on cocaine
Casey Jones you better, watch your speed
Trouble ahead, trouble behind
And you know that notion just crossed my mindDriving that train, high on cocaine
Casey Jones you better, watch your speed
Trouble ahead, you know, trouble behind
And you know that notion just crossed my mindAnd you know that notion just cross my mind
