

September In the Rain

Annie Lennox

The leaves of brown came tumbling down
Remember, in September, in the rain
The sun went out just like a dying ember
That September in the rain To every word of love I heard you whisper
The raindrops seemed to play a sweet refrain
Though spring is here, to me it's still September
That September in the rain To every word of love I heard you whisper
The raindrops seemed to play our sweet refrain
Though spring is here, to me it is still September
That September in the rain
