

I Heard It's the Softest Thing Ever

A Day to Remember

Tonight I'm sending you a message,
It's the end of an era,
The end of second chances.
In the face of defeat,
I'm winning.
Yet there's still so much left to say.

(Pre-chorus)

(ohhhhh! they're coming straight for me) (2x)
Read between the lines,
We cant give in this time.

(chorus)

Just let me go for now,
I'll be just fine.
Dont cha know?
Dont cha know?
Now that im back on my own(2x)

Tell me how it feels,
To watch the walls of your security crumble.
I remember you,
You took the easy way out.
When i gave you something to stand for.

I was just another promise that you couldnt keep! (2x)
