

August Moon

Sara Bareilles

August Moon, where are you?
August Moon, over the sea
August Moon, where are you?
August Moon, do you believe? In August Moon, let me follow you
In August Moon, let me follow you down August Moon, where are you?
August Moon, over the sea
August Moon, where are you?
August Moon, do you believe? In August Moon, let me follow you
In August Moon, let me follow you down
Let me follow you down Down to the Seven Seas, places I'll never be
Down to the Seven Seas, places I, I've never been August Moon, where are you?
August Moon, over the sea
August Moon, where are you?
August Moon, do you believe? In August Moon, let me follow you
In August Moon, let me follow you down
Let me follow you down Down to the Seven Seas, places I'll never be
Down to the Seven Seas, places I'll never be
Down to the Seven Seas, places I, I've never been August Moon, where are you?
August Moon, over the sea
August Moon, where are you?
August Moon, let me believe
