Tunde Olaniran

This is unconventional.
Only way that we can roll.
And if we running out cold, I know some people who can pull.
I'm talking people who do right right right right right.
Use their tongues to spark the light light light light light.
Plan it aint me pushing faded teach it learn it save ignite it this is urgent so lets plan on me to overnight it.My ....
wa tada
My vision is birghta
