

# This Man

Graffiti6

I'm a stained lover  
No recover  
Since you said goodbye

Feels the same  
There's no change  
Lost in your eyes  
Like ol' times

So I say  
Oh darling  
Please baby  
Love this man  
Put your arms around me and we can  
Love together  
Stay  
Let's be in love  
One more time

Lost baby  
Feel empty  
So reach out for this man

I said it  
Now regret it  
The crazy, crazy goodbye

So I say  
Oh darling  
Please baby  
Love this man  
Put your arms around me and we can  
Love together  
Stay  
Let's be in love  
One more time
