Touch

Laura Branigan

Let me tell you baby what I want to do
Something that I really got to say
Let me tell you everything that's on my mind
Don't say no I'll tell you anywaySometimes when I see you in a crowded room
I really want to kiss you in the dark
I get the strangest feeling coming over me
Frightening sensations of the heartI wanna run but my feet won't go
I wanna move right through the floor
I wanna stop but I can't say no
I wanna hear you cry for moreBaby let me touch you, let me get to know you
Baby let me touch you tonight
Come a little closer, let me feel your fingertips
Baby let me touch you tonightI've been attracted to you for so long
Seems like I've been waiting all my life
Now there's nothing standing in the way of us
We can find what we both really likeI wanna stay with you all night long
I wanna kiss you on the floor
I wanna stop but I can't say no
I wanna hear you cry for moreBaby let me touch you, let me get to know you
Baby let me touch you tonight
Let me get to know you, let me feel your fingertips
Baby let me touch you tonightTonightI wanna stay with you all night long
I wanna see you on the floor
I wanna stop but I can't say no
I wanna hear you cry for moreBaby let me touch you, let me get to know you
Baby let me touch you tonight
Baby let me touch you, let me feel your fingertips
Baby let me touch you tonightBaby let me touch you, let me get to know you
Baby let me touch you tonight
Baby let me touch you, let me feel your fingertips
Baby let me touch you tonightBaby let me touch you, let me get to know you
Baby let me touch you tonight
Come a little closer, let me feel your fingertips
Baby let me touch you tonight
