Think About It

Rich Homie Quan

Yeah
Yeah
Yeah
Turn me up
Turn me up
Turn me up
Turn me up
Turn me up
Turn me up
Turn me up
Turn me up
(Who made this beat?)
(Beat Masters)
I got this fine hoe who don't work, but be complainin' all the time
She wanna leave me, that for certain
Say she called a nigga line
I'm tired of cheatin'
Tired of flirtin'
Girl I hate to see you cry
Lord you did, can't hate you now
Girl, you irreplaceable
I got the work, I got the [?], I got the nigga who get it like rush
Jump off some choppers, I raided, I busting
Boy you like 12 'cause you call from the coffin
I got some bells in the car that stopped 'em
Bagging niggas in the coffins we bustin'
Stackin' pennys on these niggas from [?]
I got plenty niggas stacked to the ceiling (Haa)
Think about it, think about it
Think about it, think about it
Think about it right now, Quan
I say now think about it right now, Quan
T-H-I-N-K about it
T-H-I-N-K about it
T-H-I-N-K about it
About it, think about it
Think about it when I got my hands on my first check (Aye)
Think about it when a young nigga hit his first lick
Think about it, broke nigga hell yeah, I'm allergic to that (Aye)

Think about it, I was stuntin' on right on when I was surfing that
Think about it, hold up
Bring around me, I'mma show off
How to ride dick, no chaffeur
All this money on me, I'm 'bout to throw up (Uhh)
Shawty keep her feet out in the summertime, when I call her, she up (Ahh, Uhh)
Push the water then I flood
I'mma keep gaining money
It never ain't enough
Who the fuck told you that that lil nigga, yeah I got it fucked up
Hangin' out the passenger side of your best friend car, you a screw up
TLC, you too lame, cuh
Slapped it, I'm a Blood
Passed that like a blunt
That fat ass, I love, U-G-H, ugh
You be acting tough when you know your ass in love
We only did it one time in the store
I can't help that I just keep
Think about it, think about it
Think about it, think about it
Think about it right now, Quan
I say now think about it right now, Quan
T-H-I-N-K about it
T-H-I-N-K about it
T-H-I-N-K about it
About it, think about it
