Speechless

í•´ëž˜ì§€ì½°ì•´ (Clazziquai Project)

I never said a thing to hurt you
It's what I didn't say that made you cry
And in all honesty I never would've deserted you
I never dreamt that you would say goodbye
I never said a thing to hurt you
It's what I didn't say that made you cry
And in all honesty I never would've deserted you
I never dreamt that you would say goodbye
I'll close my eyes, tell another lie
Think of yesterday
Think of everything you said
There's nothing left to say
It's just another day without you here
And it seems a long, long time since you went away
And I fear I'll dream another dream about you dear
And I'm afraid to close my eyes

I'll close my eyes, I'll close my eyes
Tell another lie, tell another lie
Think of yesterday, think of yesterday
Everything you said, there's nothing left to say
I'll dream another dream of you
'Cause that's all that I can do
I'll dream another dream today
And I'll dream about the way
I'll close my eyes so I don't have to see you leave
Tell another lie, anything to keep you here
Think of yesterday
Think of everything you said
I'll close my eyes, I'll close my eyes
Tell another lie, tell another lie
Think of yesterday, think of yesterday
Everything you said, there's nothing left to say
