

# Young Hearts Run Free

## Serious Drinking

"You risked your life to save that riff-raff in the bar?"  
"They may be drinkers, Robin, but they're also human beings"

What's the point in sharing this one and only life  
Ending up just another lost and lonely wife  
You'll count up the years, they will be filled with tears, ba-ba, ba-ba-ba-ba

Love only breaks up to start all over again  
You'll get the baby but she won't get the man  
While he is busy loving every woman that he can, ba-ba, ba-ba-ba-ba

Say I'm gonna leave you a hundred times a day  
It's easier said than done when you just can't break away

Oh, young hearts run free  
Never be hung up, hung up like my man and me, ba-ba, ba-ba-ba-ba

It's high time now just one more crack at life  
I don't need to live with your trouble and your strife  
My mind must be free to learn all I can about me, ba-ba, ba-ba-ba-ba

I'm gonna love her the rest of my days  
Encourage the babies every time they say (what do they say?)  
"Self preservation is what's really going on today", ba-ba, ba-ba-ba-ba

Say I'm gonna turn loose a thousand times a day  
It's easier said than done when you just can't break away

Oh, young hearts, to yourself be true  
Don't be no fool when love really don't love you, ba-ba, ba-ba-ba-ba

Ba-ba, ba-ba-ba-ba  
Say I'm gonna leave you a million times a day  
It's easier said than done when you just can't break away

Oh, young hearts run free  
Never be hung up, hung up like my man and me, ba-ba, ba-ba-ba-ba  
Young hearts, to yourself be true

Don't be no fool when love really don't love you, ba-ba, ba-ba-ba-ba

My man and me, ba-ba, ba-ba-ba-ba  
Just wanna be free, ba-ba, ba-ba-ba-ba  
Just right and me, ba-ba, ba-ba-ba-ba

Ah-ooh
