Big Boy

Die Happy

Is it a physical reaction
A final loss of satisfaction
You never noticed, when you crossed the line
YeahYou had me just there where you wanted
You took my charity for granted
You blew your second chance too many times
Yeah.Baby, You're a Big Boy
Don't cry for me
I'm sick of being your toy
Can't play with me
You've been putting me up
You've been letting me down
There's nothing left to destroy
For you - big boyNever did anything to reach me
But when I ask you to unleash me
You tied me up and choked me even more
What for
Yeah
Here is your chain
I guess you find the door, once moreBaby, you're a Big Boy
Don't cry for me
I'm sick of being your toy
Can't play with me
You've been putting me up
You've been letting me down
There's nothing left to destroy
For you - big boyRemember how you brought me flowers
Remember how you used to care
Now the flowers got thorns
Now you just care for yourself
And the paradise you gave me
Turned into to hell
There is no turning back
As a matter of fact
It's too lateThere's no way to stop me
There's no way to lock me up
You can't stop meBaby, You're a Big Boy
Don't cry for me
I'm sick of being your toy

Can't play with me
You've been putting me up
You've been letting me down
there's nothing leftBaby, You're a Big Boy
Don't cry for me
I'm sick of being your toy
Can't play with me
you've been putting me up
You've been letting me down
There's nothing left to destroy
Baby, you're a Big Boy
