

Daydreaming

KeKe Wyatt

(Verse 1)

Ohh when we touch I get this feelin
When you not around I feel so different
In it a year whoa
(I just can't understand what she says here)
Feel somewhat exposed, so intense (so intense yea yea)
You got me spinning like a record
When you bring ya pressure
Such crazy measures
Hard to let it go, so you need flow
When you take control(Chorus)

I know it right for me to be thinkin bout lovin you

I can't tell my heart how to be
Is it cheatin cause I'm daydreamin
I'm daydreamin I can't stop thinkin bout ya
I close my eyes to be around you
Things about you make me want you
When I'm daydreamin(Verse 2)

When I look into the mirror
I can't help but to catch a flash back
Body, its time to flash
My system is on the go
I can't pretend

You got me open for another round
It's drizzling and it's raining now
I'm so in need and I can't contain

Cause you're bringin out the best in me(Chorus)
I know it right for me to be thinkin bout lovin you

I can't tell my heart how to be
Is it cheatin cause I'm daydreamin
I'm daydreamin I can't stop thinkin bout ya
I close my eyes to be around you
Things about you make me want you
When I'm daydreamin(Hook)

I know that this just aint right
For me to think about touchin you, kissin you
Knowin we can't be

I'm daydreamin yeahh...ohhh-hh-ohhhhI know it right for me (ohh-hh-oohh)oh no no no no no no no no no no
yea yea-ea yeahhhh oh yea yea yeahh(Chorus)

I know it right for me (right for me baby)
to be thinkin bout lovin you
(thinkin bout lovin you ohh oh yea)
I can't tell my heart how to be
Is it cheatin cause I'm daydreamin (daydreamin baby)
I'm daydreamin I can't stop thinkin bout ya (ya beautiful face)
I close my eyes to be around you (around you my baby)
Things about you make me want you
When I'm daydreamin (oh ohhh oh) I know it right for me (my baby)
to be thinkin bout lovin you (ya beautiful eyes)
I can't tell my heart how to be
Is it cheatin cause I'm daydreamin
I'm daydreamin I can't stop thinkin bout ya
I close my eyes to be around you
Things about you make me want you
When I'm daydreamin
