

Undefeated

Jason Derulo

Oh, oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh, oh

Undefeated

Wish I knew then what I know now, but, I, I

Can't change the past no matter how I try, I

So I'ma get up and dance, you know

Cause this might be my last chance (whoa)

Like there's nobody around

Even gravity can't keep me down

Everybody get it started

I'm on top of the world, what a feeling

Whoa, oh, oh, oh, oh, oh

I'm undefeated, undefeated (yeah)

No one told me what I could be

Now I'm walking on air, what a feeling

Whoa, oh, oh, oh, oh, oh

I'm undefeated, undefeated, tonight

Undefeated

No looking back can't live that way, right now, ow

Yesterday's gone, I've found my way somehow, ow

So I'ma get up and dance, you know

Cause this might be my last chance (whoa)

Like there's nobody around

Even gravity can't keep me down

Everybody get it started

I'm on top of the world, what a feeling

Whoa, oh, oh, oh, oh, oh

I'm undefeated, undefeated (yeah)

No one told me what I could be

Now I'm walking on air, what a feeling

Whoa, oh, oh, oh, oh, oh

I'm undefeated, undefeated, tonight

So I'll live today like it's my last one

There's no time for fear, you only live once

Everybody get it started

I'm on top of the world, what a feeling

Everybody say

Whoa, oh, oh, oh, oh, oh

Please believe it, I?m undefeated
No one told me what I could be
Now I?m walking on air, what a feeling
Whoa, oh, oh, oh, oh, oh
I?m undefeated, undefeated, tonight
What a feeling (yeah)
To be undefeated
Whoa, oh, oh, oh, oh, oh
Undefeated, tonight
Whoa oh oh, whoa oh oh
Whoa oh oh, whoa oh oh
Whoa oh oh, whoa oh oh
Undefeated
