

Secrets

Van Halen

She ain't waiting 'til she gets older
Her feet are making tracks in the winter snow
She got a rainbow that touches her shoulder
She be headed where the thunder rolls
Oh oh oh, she got rhythm
Got that rhythm of the road
Oh oh oh, she get crazy
Woman get crazy if she can't go
Oh but she just looking good
She comes like the secret wind
She's as strong as the mountains, walks tall as a tree
She been there before, she'll never give in
She'll be gone tomorrow like the silent breeze
Oh oh oh, she got rhythm
Got that rhythm of the road

Oh oh oh, she get crazy
She get crazy if she can't go
Oh but she just looking good
You know how sometimes, you got to rush
You're running blind but she jumps the gun
Question is not does love exist
But when she leaves, where she goes?
I got a feeling she don't know either
Wait like the wind, watch where she blows
Oh oh, got that rhythm
That sweet rhythm of the road
Oh oh oh, she get crazy
Woman get crazy if she can't go
Oh oh, a looking good, oh yes
