One Step over the Line

Nitty Gritty Dirt Band

When I look into your eyes
See the world cut down to size
Baby don't apologize
Takin' me one step over the lineWhen I touch your secret skin
Babe I know it ain't no sin
I feel you startin' to give in
Now let's go one step over the lineI know it's just your daddy's car
Your daddy never went this far
Baby we know who we are
Let's go one step over the lineI can be your drivin' wheel
We could make those tires squeal
Ooo I like the way it feels
Takin' it one step over the lineOne step forward and two steps back
It's for the first time baby
I'm talkin' cake walkin' into the black
A crossin' red line and I don't mean maybeI hear they buried lover's lane
In a sea of tears and blame
It's you and me go up in flames
Baby, one step over the lineThey're drawin' boxes on the ground
Just to make us look on down
All we gotta do is look around
And take it one step over the lineA one step over the line
Come on baby, one step over the line
