

Wife U Up (prod. by KaneBeatz)

Bei Maejor

I'm gonna wife you ass up See I've met many girls
A million different faces
All over the world
A million different places
When I saw you, looking like a star
I said ,yeah yeah yeah yeah
So I jumped up out my whip
And started walking closer
I didn't know your name
So I tapped you on your shoulder
Hit you with my number
And ask you to come over
You said yeah yeah yeah yeah Now baby I ain't telling no lie
I ain't never seen an ass like that
So big but it sits so right
So round but it's still so fat
And it got me Hey pretty girl
Hey sexy sexy lady
The way that that booty moves/drop
Makes me go crazy
I'm gonna wife your ass up
Wife your sexy ass up
(repeats) Up in the club
Dancing to some slow songs
She showed me love
Said baby this is your song
I'm like: what's up?
Are you trying to get freaky?
She said: yeah yeah yeah yeah
I get my drink
And then proceed two steps
then get right to it
cause we only got a few left
So grab your girls
Ad let's make it a party
She said yeah yeah yeah yeah Baby I ain't telling no lie
I aint never seen an ass like that
So big but it sits so right
So round but it's still so fat

And it got meHey pretty girl
Hey sexy sexy lady
The way that that booty moves/drop
Makes me go crazy
I'm gonna wife your ass up
Wife your sexy ass up
(repeats)When you take it up high to the top
make a nigga say oh, oh
and when you take it down couple
of inches off the ground
shawty go goHey pretty girl
Hey sexy sexy lady
The way that that booty moves/drop
Makes me go crazy
I'm gonna wife your ass up
Wife your sexy ass up
(repeats)
