## Barclay James Harvest

Valley's deep and the mountain's so high  
If you want to see God, you've got to move on the other side  
    You stand up there with your head in the clouds  
    Don't try to fly, you know you might not come down  
Don't try to fly, dear God, you might not come downJesus came down from heaven to earth  
    The people said it was a virgin birth  
    Jesus came down from heaven to earth  
The people said it was a virgin birthHe told great stories of the Lord  
    And said He was the Saviour of us all  
    He told great stories of the Lord  
And said He was the Saviour of us allFor this they killed Him, nailed Him up high  
    He rose again as if to ask us why  
    Then He ascended into the sky  
    As if to say in God alone you soar  
As if to say in God alone we flyValley's deep and the mountain's so high  
If you want to see God, you've got to move on the other side  
    You stand up there with your head in the clouds  
    Don't try to fly, you know you might not come down  
    Don't try to fly, dear God, you might not come down
