

# Waking Up

## Dillon Fence

I found verity on Nolan's Avenue  
Down where the air is thick as L.A. skies are blue  
The water tried to break it down but it held through  
It gave a little for the sake of staying true  
We cut ties, we tell lies, we hate change  
And we wanna claim where we feel  
We take toes, we rake yours, yeah, we dig holes  
And we're digging right in your fears  
We're waking up, we're waking up  
And right on time, and right on time  
We'll take these roads, we'll break them up  
And right on time, and right on time  
We got cars, we write laws, we won't pause  
Don't you know we're always working this hard?  
We don't lose, we might bruise, yeah  
But we'll rain fire on you till you're playing all of your cards  
We're waking up, we're waking up  
And right on time, and right on time  
We'll take these roads, we'll break them up  
And right on time, and right on time  
On time, right on time  
Waking up, waking up, yeah  
Ooh, oh, ooh
