Ruby

Atb

You were a dreamer
They always got you by
Don't forget them
Or one by one they'll die
You have to know the dark to know the light when she comes
Too sad to see that she had never go
[Chorus:]Oh I know the fire is hot hot hot
Ruby stay on the line
Oh just give it all you got got got
Ruby stay on the line
Cause I warned my heart of your thirst for love
I know you're gonna be fine
Come on Come on, Come on
Ruby stay on the line
I've never seen you so scared of everything
It's not who you are
Don't let them ring your end
Take the lid off now and show them what you got

I love you as you are
No matter what
[Chorus]On the line
I hardly reconignize you lately
Don't ever tell me that your dreams are too old
I want to see you grabbing life like you used to
No don't you let go oh oh
You'll be fine
Come on Ruby stay on the line
Cause I warned my heart of your thirst for love
I know you're gonna be fine
Come on [3x]
Ruby stay on the line
On the line
[Chorus 2x]Come on [2x]
Ruby stay on the line
