

# Someone I Know

Margo Guryan

I was thinking  
Of leaving  
There was no one around here  
I wanted to know

Then I saw someone  
Who  
Happened  
To remind me of  
Being in the womb a long time ago

I know  
And you know  
That we never met before tonight  
Why, then, should I feel so right  
About being in your arms?

You've been good to me now  
And I don't want to go  
Your lips are warm and familiar  
And you feel like someone I know
