Travis Garland

B-B-B-B-B-Baby, I aint worried bout they, oh no no
Baby, baby, youve been thinkin of me
Baby, baby, just dont say you love me
I dont know if you heard bout me, Im that type to up and leave
Listen here baby, baby, just dont say you need meOh oh oh, Ill change your life
Oh oh oh, read between the lines
Baby dont start it, cause you really dont want it
I might break your heart and I dont wanna do that
Know that Im a bad man, baby girl once youve had it, aint no turning backLets fall in lust
Lets fall in lust
Lets fall in lust
Lets fall in lustIt wouldnt take me too long to get your lovin
Cause when I push up on you youre gonna be feelin somethin
Baby I aint tryna lead you on to nothin
So if, thats cool, baby with you, got somewhere we could goOh oh oh, I'll change your life
Oh oh oh, set the bar so damn high
Baby dont start it, cause you really dont want it
I might break your heart and I dont wanna do that
Know that Im a bad man, baby girl once youve had it, aint no turning backLets fall in lust
Lets fall in lust
Lets fall in lust
Lets fall in lust
