

End of the World

Dave Days

It's the end of the world (who-o-o)
It's the end of the world (who-o-o)
It's the end of the world
And I don't mind
It's the end of the world (who-o-o)
It's the end of the world (who-o-o)
It's the end of the world
And this is why (eh-hem)
Dub step (wub wub wub)
Is the only thing you'll hear at the club club club
Fifty Shades Of Gray outselling Harry Potter (J K Rowling ha!)
Miley Cyrus's haircut
What would Hanna Montana think? (Ew)
Snookie getting pregnant (what?)
No-o-o No-o-o
Now I know for sure,
It's the end of the world (who-o-o)
It's the end of the world (who-o-o)
It's the end of the world
And I don't mind
It's the end of the world (who-o-o)
It's the end of the world (who-o-o)
It's the end of the world
And this is why
Edward and Bella breaking up
Kim Kardashian and Kanye falling in love
K-Pop music charting number one in America (whopa Gangnam Style!)
Boy bands are back and thriving
And hipsters are multiplying (Selling out, selling out, nobody's gonna lay a finger on my Butterfinger)
Now I'm positively sure,
It's the end of the world (who-o-o)
It's the end of the world (who-o-o)
It's the end of the world
And I don't mind
It's the end of the world (who-o-o)
It's the end of the world (who-o-o)
It's the end of the world
And this is why-y-y
And when the world ends

By attacks from stacks from aliens
We can use all of the bad this year
And scare the spaceships out of here
By attacks from stacks from aliens
We can use all of the bad this year
And scare the spaceships out of here
It's the end of the world (who-o-o)
It's the end of the world (who-o-o)
It's the end of the world
And I don't mind
It's the end of the world (who-o-o)
It's the end of the world (who-o-o)
It's the end of the world
And this is why
It's the end of the world (who-o-o)
It's the end of the world (who-o-o)
It's the end of the world
And I don't mind
It's the end of the world (who-o-o)
It's the end of the world (who-o-o)
It's the end of the world
And this is why
I don't mind
