

So Long

Die Trying

Wake me up 'cause I can't sleep
Call me anytime you need (you need)
I put my pain into you
I hurt myself through you
So, call me anytime you need (you need) me As I lie here waiting I try to forget everything you mean
But life don't keep waiting for you
And I can't keep saying So, so long to sleep
'Cause you were everything that I dreamed As I lie here waitin
I try to think of what I'd do
If I saw you
What if I saw you?
'Cause I don't want you to see me
i'm broken down, torn up and lonely
If I saw you, what if you saw me? So, so long to sleep
'Cause you were everything that I dreamed
So, so long to sleep
'Cause you were everything to me
So, so long to sleep
'Cause you meant everything to me So long, so long
So long, so long So what's left for me then?
So what's left for me then? So, so long to sleep
'Cause you are everything that I dreamed
So, so long to sleep
'Cause you were everything to me So long, so long
So long, so long
So long, so long
So long, so long If I wasted your time, I'm sorry
For wasting your time, I'm sorry
If I wasted your time, but I'm sorry
If I wasted wasted your time
