## So Long

## **Die Trying**

Wake me up 'cause I can't sleep Call me anytime you need (you need) I put my pain into you

I hurt myself through you

So, call me anytime you need(you need) meAs I lie here waiting I try to forget everything you mean

But life don't keep waiting for you

And I can't keep sayingSo, so long to sleep

'Cause you were everything that I dreamedAs I lie here waitin

I try to think of what I'd do

If I saw you

What if I saw you?

'Cause I don't want you to see me

i'm broken down, torn up and lonely

If I saw you, what if you saw me?So, so long to sleep

'Cause you were everything that I dreamed

So, so long to sleep

'Cause you were everything to me

So, so long to sleep

'Cause you meant everything to meSo long, so long

So long, so longSo what's left for me then?

So what's left for me then? So, so long to sleep

'Cause you are everything that I dreamed

So, so long to sleep

'Cause you were everything to meSo long, so long

So long, so long

So long, so long

So long, so longIf I wasted your time, I'm sorry

For wasting your time, I'm sorry

If I wasted your time, but I'm sorry

If I wasted wasted your time
