

# Dead Bum

## Tilt

Dead, or is he dying? Was he mugged? Or did he quit trying? Regardless =  
of the reason, we gotta move him. See, he blocks the car in, we should =  
leave a messenger to find him, as we speak the traffic thickens like a =  
virus. Dead bum, dead bum, just another dead bum, dead bum, dead bum, =  
Did I catch you at a bad time? You should know my voice by now, I've =  
got further instructions I don't know what you'll do without. I've got a =  
job to do here, and I need a clear head, you don't want to get me mad =  
dear, no use in calling the feds.
