

# Never Dreamed You'd Leave In Summer

[Stevie Wonder](#)

I never dreamed you'd leave in summer  
I thought you would go then come back home  
I thought the cold would leave by summer  
But my quiet nights will be spent alone You said there would be warm love in springtime  
That was when you started to be cold  
I never dreamed you'd leave in summer  
But now I find myself all alone You said then you'd be alive in autumn  
Then you said you'd be the one to see the way  
No, no no no no I never dreamed you'd leave in summer  
But now I find my love has gone away Why didn't you stay?
