

Keep On

The Perrys

1vs) Are you tired and distressed
Weary Saint in need of rest
There are storms you must walk through
But they won't last they never do

Ch) Keep On, Be Brave, Hold Fast, Have Faith,
Pray Hard, Fear Not, Stay Strong, Keep On

2vs) Do not turn left or right
But straight ahead the cross in sight
He will guide you safely o'er
To where troubles come no more
