Whisper To Me

Plankeye

Isn't it funny what I forgot today
Isn't it great how you worked in spite of me
I can see that you're not laughing
Yeah, I know it's not a joking matterI guess it's just one of the ways
To hide me from my share
When I think you left forever
I hear your voice whisper to meYou are a son of grace
You are a new born saint
You are a chosen temple
For me to rest my nameI hung there crucified
I lived and died and lived again
I saw eternity collide
To bring you to me
