

# I'm an Actor

## Phoenix

I'm an actor, I'm doin' well  
And I want things to be done by someone, who's taking care of me  
I don't even care for me, I just care about what you think of me  
Come and get me, I'm protected If you ever come, late  
Better give me what I want I'm addicted  
It's growing strong, it's growing strong again  
The consequences, I leave them all for someone else, ahh, ahh  
Don't say I'm doing fine, I'm not even trying to On and on and on and on  
On and on and on and on  
On and on and on and on
