

# Love Story

## Monsieur Minimal

There was a girl  
back in '69.  
She was totally crazy.

I was a boy.  
I was very shy  
in a lonely place.

When i met you  
i fell so divine.  
And the story began.

Did you ever try see?  
Did you ever try to feel?

I was a boy.  
She was 16 years old  
when i totally loved her.

Did you forget  
all this perfect world  
that we built together?

Did you forget  
all these promises  
that you'll stay forever?

Did you ever try see?  
Did you ever try to feel?
