

Hard Headed Woman

Elvis Presley

Well a hard headed woman
A soft hearted man
Been the cause of trouble
Ever since the world began
Oh yeah, ever since the world began
A hard headed woman been
A thorn in the side of man Now Adam told to Eve
Listen here to me
Don't you let me catch you
Messing round that apple tree
Oh yeah, ever since the world began
A hard headed woman been
A thorn in the side of man. Ever since the world began
A hard headed woman Now Samson told Delilah
Loud and clear,
Keep your cotton picking fingers
Out my curly hair
Oh yeah, ever since the world began
A hard headed woman been
A thorn in the side of man I heard about a king
Who was doing swell
Till he started playing
With that evil Jezebel.
Oh yeah, ever since the world began
A hard headed woman been a thorn in the side of man I got a woman
A head like a rock
If she ever went away
I'd cry around the clock
Oh yeah, ever since the world began
A hard headed woman, been a thorn in the side of man
A hard headed woman been a thorn in the side of man
