

# Hollywood (Deepsky's Home Sweet Home Vocal remix)

## Madonna

Everybody comes to Hollywood  
They wanna make it in the neighborhood  
They like the smell of it in Hollywood  
How could it hurt you when it looks so good Shine your light now  
This time it's gotta be good  
You get it right now  
Yeah  
'Cause you're in Hollywood There's something in the air in Hollywood  
The sun is shining like you knew it would  
You're riding in your car in Hollywood  
You got the top down and it feels so good Everybody comes to Hollywood  
They wanna make it in the neighborhood  
They like the smell of it in Hollywood  
How could it hurt you when it looks so good I lost my memory in Hollywood  
I've had a million visions  
Bad and good  
There's something in the air in Hollywood  
I tried to leave it but I never could Shine your light now  
This time it's gotta be good  
You get it right now  
Yeah  
'Cause you're in Hollywood There's something in the air in Hollywood  
I've lost my reputation  
Bad and good  
You're riding in your car in Hollywood  
You got the top down and it feels so good Music stations always play the same songs  
I'm bored with the concept of right and wrong Everybody comes to Hollywood  
They wanna make it in the neighborhood  
They like the smell of it in Hollywood  
How could it hurt you when it looks so good Shine your light now  
This time it's gotta be good  
You get it right now  
Yeah  
'Cause you're in Hollywood 'Cause you're in Hollywood  
'Cause you're in Hollywood  
In Hollywood  
In Hollywood  
In Hollywood Check it out  
This bird has flown Shine your light now

This time it's gotta be good  
You get it right now  
Yeah  
'Cause you're in Hollywood 'Cause you're in Hollywood  
'Cause you're in Hollywood  
In Hollywood  
In Hollywood  
In Hollywood Push the button  
Don't push the button  
Trip the station  
Change the channel Push the button  
Don't push the button  
Trip the station  
Change the channel Push the button  
Don't push the button  
Trip the station  
Change the channel Push the button  
Don't push the button  
Trip the station  
Change the channel
