

Chocolate Rain (Sweet Like Chocolate Remix)

Tay Zonday

Chocolate Rain
Some stay dry and others feel the pain
Chocolate Rain
A baby born will die before the sinChocolate Rain
The school books say it can't be here again
Chocolate Rain
The prisons make you wonder where it wentChocolate Rain
Build a tent and say the world is dry
Chocolate Rain
Zoom the camera out and see the lieChocolate Rain
Forecast to be falling yesterday
Chocolate Rain
Only in the past is what they sayChocolate Rain
Raised your neighborhood insurance rates
Chocolate Rain
Makes us happy 'livin in a gateChocolate Rain
Made me cross the street the other day
Chocolate Rain
Made you turn your head the other way(Chorus)
Chocolate Rain
History quickly crashing through your veins
Chocolate Rain
Using you to fall back down again
[Repeat]Chocolate Rain
Seldom mentioned on the radio
Chocolate Rain
Its the fear your leaders call controlChocolate Rain
Worse than swearing worse than calling names
Chocolate Rain
Say it publicly and you're insaneChocolate Rain
No one wants to hear about it now
Chocolate Rain
Wish real hard it goes away somehowChocolate Rain
Makes the best of friends begin to fight
Chocolate Rain
But did they know each other in the light?Chocolate Rain
Every February washed away
Chocolate Rain
Stays behind as colors celebrateChocolate Rain

The same crime has a higher price to pay
chocolate Rain
The judge and jury swear it's not the face(Chorus)Chocolate Rain
Dirty secrets of economy
Chocolate Rain
Turns that body into GDPChocolate Rain
The bell curve blames the baby's DNA
Chocolate Rain
But test scores are how much the parents makeChocolate Rain
'Flippin cars in France the other night
Chocolate Rain
Cleans the sewers out beneath MumbaiChocolate Rain
'Cross the world and back its all the same
Chocolate Rain
Angels cry and shake their heads in shameChocolate Rain
Lifts the ark of paradise in sin
Chocolate Rain
Which part do you think you're 'livin in?Chocolate Rain
More than 'marchin more than passing law
Chocolate Rain
Remake how we got to where we are.(Chorus)
