Shut the Fuck Up

Keith Murray

Is it on?
Fagot ass niggas, talkin' all that bullshit
Worried about what I do but I don't give a fuck
You know what I'm sayin', 'cuz if I listen to that shitI be the metaphorical don juans upon
My confidant bring my words to life, make shit bond
See the lyrical lexicon makes strong songs DJs gotta throw on
Thug niggas love to bug alongAnd wack MCs dream on and on
Drifting further from reality, concentratin' on me flow on
I master murderous phrases simile, homicidal delivery
And don't give a fuck who don't like meSee we be, the type of MCs bringing equilibrium into the industry
Your own peeps say you pussy
I show up unexpectedly to the release party
Get up close and personally snatch your bodyOften say, place your life status see on critically
But y'all just sound like you dissin' me subliminally
See you walkin' contradiction, caught up in the friction
If you can't stand the heat, stay the fuck out the kitchen
In front of the whole industry on national TV
I'll bluntly, tell you to shut the fuck upTo all you got the pen niggas
Shut the fuck up
All you stinky, dirty tramps
Shut the fuck upAll the hoes on his dick
Shut the fuck up
All you lyin' motherfuckers
Shut the fuck upYou'd be surprised what niggas go through to dis the squad
Call our business lines tryin' na sound all fuckin' hard
When your man dialed the number, heard my voice, jumped on my dick
Then you grabbed the phone and started poppin' mega shitThen tried to kick a little bullshit rhyme or two
About how much money you can make and how much damage you can do
But the simple fact is that you wanna be me
Redman, Erick Sermon, and The L.O.D.But the next time you wanna be me look in the mirror
The next time you leave a voice mail speak clearer
The fun loving criminal, savage mic killer
Comes through by way of knockout on the strength of my niggasThere arsenal successor, mister apply the pressure
On niggas frontin' like the nutty professor
I pull you foul, track you down like a private detective
Then put you in your proper perspective and tell you shut the fuck upTo all you shitty drawls cats
Shut the fuck up
All you fake thug niggas

Shut the fuck upAll you gay ass niggas
Shut the fuck up
All you media freaks
Shut the fuck upAll you hype motherfuckers
Shut the fuck up
All you fake drug dealers
Shut the fuck upYou better shut the fuck up
Shut the fuck up
You better shut the fuck up
Shut the fuck up
