

Look Some More

Montgomery Gentry

A couple acres on the outskirts
A little fenced in piece of red dirt
And the banker had his pen out
He said, "Sign here", I kinda freaked out
All this talkin' about settlin'
Had this old boy backpedalin'
So, I pushed back that contract
Found my car keys and I hit the gas
I don't know what I'm lookin' for
So, I guess I'll go and look some more
A couple girls back, I lost my head
With a hazel eyed brunette
Showed up with, yeah, of all things
A little blue box with a gold ring
So, I reached down in my pocket
To find my nerve but I lost it
Couldn't trust me with her around
So, I put my heart back in lock down
I don't know what I'm lookin' for
So, I guess I'll go and look some more
So many choices
So hard to choose
I can't hold my horses
I got no time to lose
Oh, I don't know what I'm lookin' for
So, I guess I'll go
And take another good long look around
I don't know what I'm lookin' for
So, I guess I'll go and look some more
Guess I'll go and look some more, yeah
Take another good long look around
