

Details In Fabric (feat. James Morrison)

Jason Mraz

Calm down
Deep breaths
And get yourself dressed instead
Of running around
And pulling all your threads saying
Breaking yourself up If it's a broken part, replace it
But, if it's a broken arm then brace it
If it's a broken heart then face it And hold your own
Know your name
And go your own way And hold your own
Know your name
And go your own way And everything will be fine
Everything will be fine
Hmm Hang on
Help is on the way
Stay strong
I'm doing everything And hold your own
Know your name
And go your own way And hold your own
Know your name
And go your own way And everything, everything will be fine
Everything Are the details in the fabric
Are the things that make you panic
Are your thoughts results of static cling? Are the things that make you blow
Hell, no reason, go on and scream
If you're shocked it's just the fault
Of faulty manufacturing. Yeah everything will be fine
Everything in no time at all
Everything [Chorus] Are the details in the fabric (Hold your own, know your name)
Are the things that make you panic
Are your thoughts results of static cling? (Go your own way) Are the details in the fabric (Hold your own, know
your name)
Are the things that make you panic (Go your own way)
Is it Mother Nature's sewing machine? Are the things that make you blow (Hold your own, know your name)
Hell no reason go on and scream
If you're shocked it's just the fault (Go your own way)
Of faulty manufacturing Everything will be fine
Everything in no time at all

Hearts will hold
