Little Things

One Direction

[Zayn]
Your hand fits in mine
Like its made just for me
But bear this in mind
It was meant to be
And I'm joining up the dots
With the freckles on your cheeks
And it all makes sense to me[Liam]
I know you've never loved
The crinkles by your eyes
When you smile
You've never loved
Your stomach or your thighs
The dimples in your back
At the bottom of your spine
But I'll love them endlesslyCHORUS: [Zayn and Liam]
I wont let these little things
Slip out of my mouth
But if I do
It's you
Oh it's you
They add up to
I'm in love with you
And all these little things[Louis]
You can't go to bed
Without a cup of tea
And maybe that's the reason
That you talk in your sleep
And all those conversations
Are the secrets that I keep
Though it makes no sense to me[Harry]
I know you've never loved the sound of your voice on tape
You never want to know how much you weigh
You still have to squeeze into your jeans
But you're perfect to meCHORUS: [Harry and Niall]
I wont let these little things
Slip out of my mouth
but if it's true
It's you

It's you
They add up to
I'm in love with you
And all these little things[Niall]
You'll never love yourself
Half as much as I love you
You'll never treat yourself right darlin'
But I want you to
If I let you know
That I'm here for you
Maybe you'll love yourself like I love you
Oh...[Harry]
I've just let these little things
Slip out of my mouth
'Cause it's you
It's you
Oh it's you
They add up to
And I'm in love with you
And all these little things[All]
I won't let these little things
Slip out of my mouth
But if it's true
It's you
It's you
They add up to
I'm in love with you
And all your little things
