

The Boy Who Destroyed The World

[Afi](#)

Once there was boy who had vibrant glow, but as it goes, someone took it from him

One day through the rain I heard him meekly moan, he said

"Will you wrap your arms around me as I'm falling?" Remember when remember when remember when we
were all so beautiful?

Never again never again

But since then we've lost our glow They said it hurt their eyes but he would never know that they were filled
with regret as their own

He said, "I now feel more desperately alone, even though they wrapped their

Arms around me as I'd fallen." Remember when remember when remember when we were all so beautiful?

Never again never again

But since then we've lost our glow Remember when remember when remember when we were all so beautiful?

Never again never again

But since then we've lost our glow They said it hurt their eyes, but he would never know that they were claiming

Regret as their own

Their own dissipated
