Hey Juliet

LMNT

Hey Juliet
(Hey Juliet)
Hey I've been watching you
Every little thing you do
Every time I see you pass
In my homeroom class, makes my heart beat fast
I've tried to page you twice
But I see you roll your eyes
Wish I could make it real
But your lips are sealed, that ain't no big deal
'Cause I know you really want me, yeah
I hear your friends talk about me, yeah
So why you tryin'to do without me, yeahhhh
When you got me
Where you want me
(Hey Juliet)
I think you're fine
You really blow my mind
Maybe someday (someday), you and me can run away
I just want you to know
I wanna be your Romeo
Hey Juliet
(Hey Juliet)
(Hey Juliet)
Girl you got me on my knees
Beggin' please, baby please
Got my best DJ on the radio waves saying
'Hey Juliet, why do you do him this way?'
Too far to turn around (turn around)
So I'm gonna stand my ground (stand my ground)
Gimme just a little bit of hope
With a smile or a glance, gimme one more chance
'Cause I know you really want me, yeah
I hear your friends talk about me, yeah
So why you tryin' to do without me, yeahhhh
When you got me
Where you want me
Hey Juliet
I think you're fine

You really blow my mind
Maybe (maybe) someday (someday), you and me can run away
I just want you to know
I wanna be your Romeo
Hey Juliet
(Hey, hey Juliet)
(Hey Juliet)
I know you really want me
I hear your friends talk about me
So why you tryin' to do without me
When you got me
Where you want me
You don't have to say forever
For us to hang together
So hear (hear) me (me) when (when) I (I) say (say)
Hey, Hey, Hey Julieeet
(Hey Juliet)
Hey Juliet
I think (I think) you're fine (you're fine)
You really blow my mind (blow my mind)
Maybe (maybe) someday (someday), you and me can run away (run away)
I just want you to know
I wanna be your Romeo
Hey Juliet
Hey, hey, Julieeet
(Hey Juliet)
Hey Juliet
I think (I think) you're fine (you're fine)
You really blow my mind (blow my mind)
Maybe (maybe) someday (someday), you and me can run away (run away)
I just want you to know
I wanna be your Romeo
Hey Juliet
(Hey, hey, Julieeet)
(repeats)
