

Stick It To The Man

Ima Robot

Information when we were so young
That we're the nation that's free and fun
Information you get on the tube
From the corporations straight to you Medication to keep us numb
To the sodomization of everyone
Education to blind and dumb
Our generation for years to come Tear it down
I wanna a new life
I wanna tomorrow
Baby, I'm goin' down Oh, no, no, no, no salvation on the corner
Oh, no, no, no, walkin' tall with a big b*****
Oh, no, no, no, it's that time for making love
My friends, so let's go stick it to the man The decimation of native land
In the name of the Christian man
Soul salvation from religion
Just a small donation will get you some Instigation to fight and stop
The castration of our sweet
Desperation to learn and talk
Our proclamations will be the spark Tear it down
I wanna a new life
I wanna tomorrow
Baby, I'm goin' down Oh, no, no, no, no salvation on the corner
Oh, no, no, no, walkin' tall with a big b*****
Oh, no, no, no, yeah, it's that time for making love
My friends, so let's go stick it to the man
