Do you remember
When time wasnt an issue at all
It was where you were going
How far you could walkDo you remember?
Do you remember?Do you remember
The scent of the summer so sweet?
As the the stars would watch over
Our souls through the weedsAnd the hounds in their fences
Would bark at the breeze
While we d scream out confessions
Of love through the treesDo you remember?
Do you remember?
Do you remember?
'Cause I doIt was the year 93
If my mind does recall
Seems so long and so distant
Not distant at allI sang songs to you crying
Till something did change
It was time, it pushed us older
Till we didnt even say helloHello
Hello
HelloIts been four long years
Since Ive seen your face
Your voice will still resonate inside my bones
When the breeze runs by
And whispers that old song, I doDo you remember?
Do you remember?
Do you remember?
I do
